3.10.13

Dear Parents/Carers

## Strike Action by NASUWT and NUT

As you will be aware from the media, the above trade unions will be taking industrial action on the October 17<sup>th</sup> 2013. The action (a one day strike) will result in class or whole school closures across the country.

The decision to close the school or send pupils home is never taken lightly, but in this instance, where staff have elected to take lawful industrial action, I will have no choice but to take appropriate steps to ensure the health, safety and well-being of all pupils, by **closing the school** on the day of industrial action.

Children who are on the register of Sunshine Club **will** be able to attend at their **normal** allocated time, however, those children registered with Nursery will not be able to attend. If your child attends for part of the day at nursery, this session will not take place. If you are unsure as to whether your child is registered for Nursery or Sunshine Club on the day in question, please contact Mrs. Donbavand who will clarify the situation for you.

It will not be possible to request that Sunshine Club take additional children on the day in question. If you would like your child to attend their normal after school session, this session will run as normal for all children who are normally registered on that day.

We are aware that class/school closures inconvenience parents and carers and I apologise for the inconvenience.

Thank you for your patience and understanding.

Kind regards,  
Mrs Harrison  
Headteacher
