

PE and Sport Premium Overview: 2017-18

The school has continued to give a high priority to PE this year with continued provision of the Sport Premium. Sport Premium is an amount of money which the government has agreed to allocate to schools, initially for two academic years (2013-14 & 2014-15) but which has since been promised for a number of further years. The Sport Premium is to be used to 'Increase the quality & breadth of PE & Sport provision, and increasing participation in PE & Sport'. This focus on PE enhances the St Oswald's School Christian ethos by providing opportunities for our pupils to shine brightly in a range of ways; develop as team players and leaders; and to contribute to the wider community through festivals and competitions with other schools.

PE & Sport Premium: 2016-17

The funding amount schools receive is based upon the number of children of primary age the school has. The 2016-2017 PE and Sports Premium funding for St. Oswald's C of E Aided Primary and Nursery School was **£8440**. Below is a record of the usage of the Sport Provision for the past academic year:

| Objective | Activity | Cost | Impact |
|--|--|--------------------------------------|---|
| Provide professional development opportunities for teachers in PE and sport Increase pupils' participation in sports and physical activities. | Silver SSP SLA | £2550 | A huge impact on the experience and skills of the children and staff. The chance to access the range of events and compete against other schools gave children the chance to 'raise their game' and to show off the skills learned in PE lessons. Having experts in school to deliver lessons alongside teachers raised the skill and confidence levels of staff. |
| Provide professional development opportunities for teachers in PE and sport | Supply cover for management time for PE Co-ordinator to oversee the subject including mentoring of PE Apprentice (see below) | £1407.79 | PE was well monitored throughout the school and maintained a high profile. |
| Increase pupils' participation in sports and physical activities. | Provide staffing for extra events: e.g. Level 3 Finals, Swimming lessons for children not meeting required standards. | | Children with both higher and lower abilities were given opportunities to succeed and develop their skills. |
| Increase pupils' participation in sports and physical activities. | Meet transport costs to travel to and from SSP events beyond SLA allocation. | £335 | Children participated in a wide range of events both in and out of school including two county final events. |
| Support and engage the least active children in physical activities | Providing a change 4 Life Club for less active/less confident children. | £200 | 67% of children in KS1 have participated in one or more clubs, (increased from last year's 59%). In KS2 96% of children have attended a sports club this year, which is a significant increase from last year's 62.5%. |
| Provide professional development opportunities for teachers in PE and sport Increase pupils' participation in sports and physical activities. | Hiring a dance coach to provide guidance for staff member attending dance festival. | £100 | Children received high quality teaching for their dance lessons and staff members were up-skilled for future teaching in this area. |
| Increase pupils' participation in sports and physical activities. Support and engage the least active children in physical activities | Hiring a PE Apprentice to work in school supporting PE lessons, leading sporting activities at playtimes and lunchtimes and providing gross-motor skills activities for selected children. | £4771.32 (less £1500 grant) | This was invaluable for teaching staff who were able to use extra support to work with lower ability children, or those with less confidence or even to split a class into smaller groups and focus on a wider range of skills. This meant that all children were accessing PE lessons at their level. |
| Provide professional development opportunities for teachers in PE and sport | Purchasing of further Planning and Assessment Material: Durham Core Tasks, PE Guide to good Practice | £110.49 | Assessment in PE is moving towards being more focussed and manageable to provide staff with a tool for planning next steps in learning as this new resources is further incorporated into the PE curriculum. |
| Increase pupils' participation in sports and physical activities. | Restocking of PE Equipment due to wear and tear. (Inc. Purchase of Play Leader Armbands) | £186 | Children continued to participate in the range of sports that have been on offer. |

PE & Sport Premium 2017-18

The amount that the school will receive for PE and Sports Premium this year has doubled from previous years. This year the school will receive **£16,900**.
